

CALL FOR ENTRIES

BOARDROOM magazine is now accepting entries for its 2025 “Excellence in Achievement” Awards, honoring vendors and educators who have made significant contributions to the private club industry in 2025. To be considered, all award entries and nominations must include supporting materials, which will be reviewed by an independent panel of industry experts from various areas of club and course operations.

Winners are selected based on overall excellence in their field, innovation, vision for future growth, and continued impact on private club operations. Those selected will be featured in an upcoming issue of **BOARDROOM** magazine. Please note, only physical submissions will be accepted—no online entries will be considered.
