

CALL FOR ENTRIES

The **BOARDROOM** magazine is now accepting entries for its 2022 "Excellence in Achievement" Awards. The awards recognize both vendors and educators for their impact, achievements and contributions to the club industry. All award entries and nominations must provide supporting materials to be reviewed by an independent panel of industry experts representing various aspects of course and club operations. Winners are selected for overall excellence in their respective fields, innovation, vision for future growth and continued impact on private club operations. Winners in each category will be featured in an issue of **The BOARDROOM** magazine in 2023.
